

HAVE YOUR TAXES PREPARED FROM HOME

Tax Help Colorado has teamed up with [GetYourRefund.org](https://www.getyourrefund.org) to help you file your taxes online with the help of certified VITA volunteers.

How It Works

- 1 Answer Questions**
You'll be asked a series of questions about your household and finances.
- 2 Upload Your Tax Documents**
Securely upload pictures of your tax documents, social security card/ITIN, photo ID and picture of yourself holding your ID.
- 3 Informational Interview**
An IRS-certified volunteer will call to make sure that we have everything we need to accurately prepare your tax return.
- 4 Your Taxes Are Prepared**
To ensure accuracy and give you the best refund possible, each tax return goes through a quality review process with a second IRS-certified volunteer.
- 5 Final Review**
Another IRS-certified volunteer will call to review your final tax return information. After the call, you'll be sent a password-protected, electronic copy of your tax returns to e-sign. With these signatures, we can E-File your Federal and State returns.
- 6 Get Your Refund**
After your returns are E-filed, all you have to do is wait for your refund to arrive! If you have questions after filing, we are available to help! Contact us at [TaxHelpCO.org](https://www.TaxHelpCO.org).
