

HAVE YOUR TAXES PREPARED FROM HOME

Tax Help Colorado has teamed up with [GetYourRefund.org](https://www.getyourrefund.org) to help you file your taxes remotely with the assistance of IRS-certified preparers.

How It Works

1 Answer Questions and Upload Documents

Complete a questionnaire and snap a pic of your identification and tax documents, then upload to a secure site

2 Talk to a Tax Pro

Get matched with an IRS-certified preparer who will call you to conduct a brief interview

3 Get Your Refund

Receive a call back in a week to complete the process and file your return remotely

Do It Yourself

You can also prepare and file your own return for FREE online through GetYourRefund! IRS-certified preparers are available to answer your questions if you get stuck.

All you need is:

- A computer
- A valid email address
- A copy of your last year's tax return
- All your tax documents

What You'll Need

- Computer or smartphone
- Access to WiFi or data
- Photo ID
- Security cards/ITIN letters for everyone on your return

Feeling lost? No worries, you can reach out to the team at any point through chat or call us at 303-454-3761!
